STATEMENT OF OBJECTS AND REASONS

The National Co-operative Development Corporation Act, 1962 provides for the incorporation and regulation of a Corporation for the purpose of planning and promoting programmes for the production, processing, marketing, storage, export and import of agricultural produce, foodstuffs, industrial goods, livestock, certain other commodities and services on co-operative principles and for matters connected therewith or incidental thereto.

2. Section 9 of the National Co-operative Development Corporation Act, 1962 provides for the functions of the National Co-operative Development Corporation. It, *inter alia*, empowers the Corporation to advance loans or grant subsidies to State Governments for financing co-operative societies and for employment of staff for implementing programmes of co-operative development, to provide funds to State Governments for financing co-operative societies for the purchase of agricultural produce, foodstuffs, livestock, poultry feed, industrial goods, notified commodities and notified services on behalf of the Central Government, to provide loans and grants directly to the national level co-operative societies and other co-operative societies having objects extended beyond one State and to provide loans to co-operative societies on the guarantee of State Governments or in the case of co-operative societies in the Union territories, on the guarantee of Central Government. It is proposed to insert a new clause (dd) in sub-section (2) of section 9 of the National Co-operative Development Corporation Act, 1962 to empower the National Co-operative Development Corporation to provide loans and grants to the producer companies and co-operative societies engaged in notified services and trading in notified commodities.

3. It is envisaged that the producer companies can play a major role in improving the livelihood of primary producers and boosting growth of rural economy. It is, therefore, further proposed to provide assistance to them through National Co-operative Development Corporation by including them in the definition of co-operative society. The producer company is defined under clause (l) of section 581A of the Companies Act, 1956. Section 581B of the Companies Act, 1956 provides for the objects of a producer company which are broadly based on the principles of mutual assistance. A major impediment being faced by the producer companies in its expansion and growth is the lack of availability of institutional support and credit to them. The proposed amendment to bring producer companies within the definition of co-operative societies as defined in clause (c) of section 2 of the National Co-operative Development Corporation Act, 1962 would provide an additional source of credit through said National Co-operative Development Corporation to the producer companies, which mostly comprise of small and marginal farmers. The proposed amendment would enable the National Co-operative Development Corporation to plan, promote and finance programmes for the benefit of the producers through co-operative societies including producer companies.

4. The existing provisions contained in clause (a) of sub-section (2) of section 13 of the said National Co-operative Development Corporation Act, 1962 provide that the National Co-operative Development Corporation shall maintain a Fund. The said Fund shall, *inter alia*, be applied for advancing loans and granting subsidies to State Governments on such terms and conditions as the Corporation may deem fit for the purpose of enabling State

Government to subscribe to the share capital of co-operative societies or for otherwise financing co-operative societies. It is also proposed to amend said clause (a) to provide that such advancing of loans and granting of subsidies shall be in such manner and to such extent as may be specified by the Central Government by notification in the Official Gazette.

5. The Bill seeks to achieve the above objectives.

MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 4 of the Bill seeks to amend clause (a) of sub-section (2) of section 13 of the Act to empower the Central Government to specify by notification in the Official Gazette, the manner and the extent of financing by the Corporation out of the moneys available in the Fund of the Corporation under that section.

2. The matters in respect of which the notifications are to be issued, are matters of detail or procedure. The delegation of the legislative power is, therefore, of a normal character.

T.K. VISWANATHAN,
Secretary-General.
